Photoshop / Illustrator / After Effects / Premier Pro / InDesign / Procreate

PROFESSIONAL SUMMARY

A creative and imaginative designer crafting graphics and artwork that are intentional, brand-consistent, and rooted in visual storytelling.

EXPERIENCE

Project Assistant | UBC Learning Commons

Aug 2021 - Apr 2023

- Designed compelling workshop presentations while maintaining the company's visual brand and design system.
- Collaborated with other project assistants ideate short-video contents for a social media campaign to bring awareness to the organisation.
- Created the event poster for a student housing workshop using skills in typography and visual hierarchy.

Brand System Designer | Heylo Skin-care (School Project)

October 2025

- Designed a full and cohesive brand system for a plant-based skin-care brand aimed at teenagers, including logo, color palette, and typography.
- Performed competitive analysis and target audience research to ensure the brand identity was relatable and relevant for its users.
- Created brand logo, mock-ups and social media assets on Adobe Illustrator and Photoshop while maintaining scalability and consistency across multiple platforms.

Graphic Designer | The Creative Room (Volunteer Design Club)

June 2026

- Researched and created moodboards to facilitate the club's visual identity, including the design genre (e.g Mixed Media), imagery, and visual assets.
- Designed playful and vibrant name-tag stickers using custom hand-drawn artwork created in Illustrator and Procreate.
- Adhered to CMYK and industry sizing standards for the name-tag so that the hand-off to printing was smooth and precise.
